Wow we can't believe that it is already April, it sure seems like the year is going so fast. April is a busy month for us here at St. Thomas. We have so much planned.

The first thing that is coming up in April is week of the young child. This is such a great time at St. Thomas. We are going to be having this April 8th to April 12th. During this week we ask the children to dress up and have fun with the daily themes. The themes this year are Sport, Prom, Superhero, Disney, and Western. We look forward to having a fun filled week with the kids and seeing all them dress up.

With the weather getting warmer we are looking forward to having more time to play outside. This we do ask that you please bring in a bigger water bottle, this is to make sure your child always has water to drink. Thank you!
