

JANUARY

Miss Chilo * Miss Liz * Miss Darla

Wow I can't believe it is already 2019! 2018 was a fun filled year. I am so glad to everyone in my classroom. They make everyday so much better.

This month we don't have a lot going on. We had so much going on the last few months its nice to step back and take a breath.

For January we are going to be talking about all the different people that help our community. We will be talking about police firefighters, doctors, nurses, construction workers, and sanitation workers. We want the kids to learn and show respect to all the people that make our community so much better.
