Dear Parents,

Thank you for dressing your children for the weather. We will continue to go outside every day the weather allows us to. It makes it more enjoyable for your children when they have the proper outdoor gear to wear.

Book orders this month are due on Friday February 8<sup>th</sup>. If you would like to order some new books for your child please get online and check out all the books scholastic has to offer. If you would like to order our classroom code is GJXWR. We appreciate those of you who have ordered in the past as it allows us to add new books to our classroom library.

Reading to children is one of the most important things a parent can do for their child. It benefits them in many ways. It gives them knowledge, develops language skills, exercises their brains, improves focus and concentration, fosters imagination, develops critical thinking skills, and helps them be more successful in school and life. Plus, it is a fun way to spend quality time with your child. Try to find some time each and every day to read to your child!

As always, if you have any comments, questions or concerns please let us know.

Sincerely,  
Mrs. Lincoln  
Miss Tori
