

Nursery News

July 2019

I am so happy the sun is out! I hope all of you have lots of fun plans to take advantage of our gorgeous Montana summer. If you know of any dates you plan to be gone, please let me or the front desk know as soon as possible.

Last month our developmental milestone of focus was Emotional Development. I am very pleased to report that everyone in Yellow 1 is progressing normally and fantastically! Our babies seem quite secure in their world. Also, I have noticed each one expressing self-awareness, self-expression and even self-control. I am so proud of all of them!

For July, the focus for Yellow 1 will be to get outside!! The fresh air and sunshine are truly irreplaceable so I will do everything I can to get them some exposure. If you haven't already, please bring in a **sunhat** and **light jacket** for your child.

Please Remember:

We are closed July 4

Thank you all for sharing your beautiful little ones with us! We truly enjoy caring for them and helping them grow and develop into the amazing people they will become!
