Farewell to our friends Aubrey D, Emma, and Kennedy who have other plans for the summer. Welcome to our new friends from the Blue Room.

Please let us know your vacation plans when you have them. Please also remember to call the front desk by 9:00 am if your child will not be attending school on any given day. This really helps with staffing.

Field trips will be planned depending on weather. We will get the information to you as soon

as we can. Parents are always welcome to join us on our field trips.
