

# Green Room June 2019

## Summer Schedule

For the months of June, July, and August we move to a less structured, more flexible daily routine based on summer fun through play. There will still be monthly themes with related art and activities but the interests of the children and their ideas will dictate how much time we will spend on things. We will bring the classroom outdoors and engage in painting, games, water fun, picnics, bubbles, sidewalk chalk and other summer camp type activities. There will be some messy play so please do not send them in their Sunday best. A change of clothes can be brought to school and left in your child's cubby in case we need them.

### Important information for you to know:

\*Please no flip flops or open toed sandals. All sandals must have a back strap and a closed toe.

\*I encourage you to send a hat with your child for him/her to wear. We do sunscreen them but there is nothing better than keeping the sun off their faces. We also do not have a lot of shade on the playground, so hats can help with that. Please label with your child's name.

\*Just a reminder we stop serving breakfast at 8:30 so if your child wants to eat please have them at school before 8:30.

We have water play scheduled for 11:45-12:45 on Tuesdays and Thursdays. Water play is weather dependent so we may change days and times as weather and scheduled activities allow. Please bring a suit and towel to leave at school. These can be left all week and taken home Fridays to be laundered.

Friday lunches will be picnics outside at the picnic tables.

Monthly field trips will be planned based on the weather and will be short notice. Please watch for information sent home and posted regarding field trips.

No toys need to be brought to school from home even on Fridays. We do not do show and share during the summer.

### Supplies

\*If you have any empty, clean spray bottles you're not using please consider donating. They are a favorite on water play days.

\***June 13- please bring a picture of you and dad**

Watch for information on upcoming special events.

\*lemonade stand when the weather gets warmer

### Important Dates

June 14- Fellas and Floats @ 3:30

Dads, Grandpas, Uncles, and special male friends come join us for root beer floats

Water Play (weather permitting)

June 4 and 6
