

Blue Room

Miss Chilo * Miss Liz * Miss Darla

I can't believe it is already November. We had such an amazing last month with all the Halloween fun. This month we are going to have just as much fun. We are going to start the month out with some fun with Mother Goose. Then we are going to go to the Circus. After a fun filled week at the Circus we are going to tell the world what we are Thankful for. The last bit of the month we are going to talk about all different kinds of sports. November is going to be super busy. I would like to thank all the parents and children in the Blue Room for making my life and my coworkers' life's so much better. I know I can speak for all of us and say thank you. With Thanksgiving come up so fast please take time out of your day to just sit with your children and talk to them about what it means to be thankful. Talk to them about what it means to give back to some one or something that is in need. Again, I want to thank everyone in and around the Blue Room.
