

# Orange Room

## September 2017

Teachers: Kay, Chantelle, Emily, Isabelle

Sept 5-8	Oh boy, we're back to school even here in the Orange Room! We will start out the school year with the ABC's. We have wonderful books and lots of fun art to go with the alphabet!
Sept. 11-15	Ok, now on to the 123's! We will be counting with dinosaurs, jungle animals and even some warthogs! We plan on doing some baking and make warthog cupcakes.
Sept. 18-22	This is one of my favorite weeks, we have LOTS of art and painting during color week! We are going to make our own finger paint, mix colors and use glue! (that's pretty exciting!)
Sept. 25-29	We're going to check out the night sky and make some amazing planets this week and we'll finish up by making moon pies, yummy!
