

Blue Room Newsletter

Miss Chilo * Miss Liz * Miss Dellanie

Hello and welcome to another year in blue room. We are very excited to have everyone this year. We are just wanting to remind everyone of some things we do in blue room.

- We do show and share on Fridays. Please only bring toys and things from home on Friday.
- We are starting to work with spelling and writing our names, please work on this at home.
- We are working towards the children have more independence. Let children get dress by themselves or pick out their own clothes.
- We love to hear all about what the children have going on, please let us know if you have any trips going on this year.

We look forward to having a great school year here in the blue room. Please let any of us know if you have any questions.
