SEPTEMBER 2019

EMILY, LACEE

This month, we will start to learn about fall. In class, we will read the books “Bear Feels Sick” by Karma Wilson, and “My Leaf Book” by Monica Wellington. Also, we will be heading outside to touch and explore what leaves feel and look like. We will then be going for a walk to collect different leaves and do a sensory project in the class.

We will be closed on Monday, September 2<sup>nd</sup>, for Labor Day!
