

# Nursery News!

January 2019

Welcome to a whole New Year! We are so excited to start 2019 with such a great group of cutie pies!

Last month, our developmental milestone was Communication. I am happy to report that each baby is communicating right on schedule! Our older babies are babbling, laughing and even screeching as they discover different sounds and try to imitate their caregivers. Our little ones can coo and smile. Each baby has his or her own way to let us know what is needed (or wanted) at any particular moment. We have so much fun talking with your babes!

For January, our developmental milestone will focus on Physical Development. We have several babies beginning to crawl, roll, scoot and reach! This month should be a lot of fun as we work to help your baby develop useful skills.

As always, I want to thank all our parents for the hard work you do with your children at home! Yellow 1 has the best group of babies ever and we fall more in love with them every day! Thank you for sharing them with us!
