

Yellow Room

January News 2019

As we embark on a new year the babies of Yellow 2 are going and growing by leaps and bounds! If there is a new skill you and your baby have begun working on over the holidays that you would like us to work on, please let us know. We are here to partner with you in helping your baby's development advance.

We are going to be putting together family collages to display around our room. With that in mind, if each of our families would bring in at least one or two pictures they would like to share with everyone we will begin this project.

It is exciting to begin a new year and we look forward to partnering with you to fill your precious child's day with all the nurturing love and exciting development possible!

Thank you for allowing us to serve you!

Laurie, Lacey, and Zjoli
